CHICHESTER HERITAGE COMMISSION

October 19, 2023

PRESENT: Lucille Noel, Katherine Shamel and Joyce Lemay

OPENED: Meeting began at 7:15

TREASURER'S REPORT: No new reports

Lucille to be paid for stain, supplies, clover seed totaling \$74.76 out of Charette

Joyce submitted bill totaling \$24.28 for grade stakes & fluorescent pink spray paint which comes out of Heritage non-lapsing account

We are waiting on Ed Millette's receipt for 12 bags of mulch which will come out of the Charette account

These expenditures were approved

MINUTES: September minutes were approved

GREENSPACE: We possibly need to budget to have someone come in and rototill the junk area (behind our plantings) in the spring. We need to pull out the junk weeds and smooth out the area and put down mulch. Gil Vien a possibility??? Fred Shaw is going to treat the poison ivy in the junk area.

CANTERBURY ROAD TREES: Joyce and her husband will clean up the area where we plan on putting the sign. Lucille and Joyce put in the grade stakes around the trees we want protected. Dawn is working on getting pricing for the sign.

BY-LAWS UPDATE: Katherine will type them for our November meeting

BUDGET NEEDS AND POTENTIAL PROJECTS FOR 2024: Need to increase the

budget to clean up the GREENSPACE near the evergreens. We did find out we didn't get the Moose Plate Grant for the plaster repairs in the stage area of the Grange Hall. There were many applications and they only had so much money to award. Maybe next time????

HOLIDAY SINGING AT THE GAZEBO: Lucille will get in touch with church, Library and Historical Society to see if they are interested. We will bring goodies to share and hot chocolate. The date would be the second weekend in December. Andrea Deachman and her son will be contacted.

PRESERVATION ALLIANCE HAPPENINGS: Right now there are a couple of virtual programs

OTHER BUSINESS: Selectmen are looking to form a committee regarding Space Needs

MOTION TO ADJOURN: 8:23

*P. Lucille Paul,
Chair*
