

Chichester Old Home Days - - Parade Entry Form

The parade theme this year is "**Wide World of Sports.**" Judging will be based on use of theme. The Chichester Old Home Day Committee strives to produce a parade for all to enjoy. We wish to increase community participation by challenging local businesses and organizations to join in the spirit and enter this year's parade with a creative edge to let the community know what you are doing for them. You can make that happen with your entry; we encourage you to build floats or enter company vehicle(s); add live entertainment; be creative and tasteful so all ages can appreciate your hard work and dedication. This activity is a great opportunity to advertise your business! This venue sets the stage to share an organization's accomplishments or bring public awareness of a need. In turn, we will include the information in our PR and event Program. Programs will be available at select locations before the event as well as distributed at the two-day event at Carpenter Park.

The parade will be at 10:00am, Saturday, August 16, 2014
